

Keyboard Chatter Homework - Lesson #21

Skill Strengthening Activities

Who ate all the pepperoni pizza? I didn't get any. All I got was warm Pepsi. Did you eat too much pizza? Maybe it was you who ate all the pepperoni pizza. Pepto-Bismol makes your tummy feel better after you eat too much pizza. Don't eat pineapple pizza under the quilt. You always get crumbs in my bed when you eat pizza under the quilt. Pizza should not be eaten in bed. How would you like pepperoni or pineapple pizza crumbs in your bed? It gets really itchy and I don't like it. How about you?
